Reception story time

Dear Parents/Carers,

The children in Reception have shown a love of reading through our story times, Poetry Basket poems, phonics lessons and reading practise sessions already this year. As I'm sure you're already aware, reading to children is an amazing way to further develop relationships, concentration, vocabulary and enjoyment.

We would like you to also be included in the process of developing a love of reading throughout your child(ren)'s year in Reception by leading story time. We are looking to set up a rota of family members who would come into school to read a story to the children. This will be at 3.05pm so would hopefully link to you collecting children at the end of the school day. You could bring a favourite story from home or choose to read one of our many school books. It also doesn't need to be a story book, you could choose to share an age-appropriate information book of a topic of your choice.

If you would like to join our story times and lead a story/read with the children, please complete the [Google Form](#) to record your interest and availability.

If you have any questions, please don't hesitate to speak to us.

Best wishes
