

September 2021

Dear Parent/Carer

Transfer to Secondary School in September 2022

By 31 October 2021, you will need to apply for a school place for your child to start secondary school in September 2022. The first step in this process is to take part in engagement opportunities provided by secondary schools, such as Open Evenings, before making an application. The dates of the school Open Evenings are listed below for your information. We would advise you to check on the school websites for more information.

We advise all parents/carers and children to take part in the school activities on offer before making an application. Colleagues from the School Admissions Team will be available to provide independent advice about the application process by phone or email on 01904 551554 or education@york.gov.uk information is also available at

www.york.gov.uk/schooladmissions

It is the responsibility of the parent/carer to check the catchment area for your address. Please note that your closest school may not be your catchment school. School catchment areas can be checked at www.york.gov.uk/schoolcatchmentareas or you can contact the School Admissions Team.

The Guide for Parents is available online at www.york.gov.uk/guideforparents and contains key information, including previous year's allocation data which you should refer to before making an application. You can also find further information on school admissions, including admissions policies and catchment areas by visiting our website at www.york.gov.uk/schooladmissions

Applications can be accepted until the final day, and there is no benefit to applying earlier. You can name up to 5 preferences of school, and we strongly recommend that one of these schools is your catchment school, even if it is your final preference.

Please note that the school your child currently attends will not be taken into consideration when prioritising applications unless this is specifically stated in that school's admissions policy or oversubscription criteria.

If applying for a school on the basis of your religion or belief, you will need to complete an additional application form and return this to the school directly. All applicants must apply to the City of York Council as their home local authority.

You will receive the results of your application on the National Offer Day, 01 March 2022. Please note that if you are successful in obtaining a place for one of your children at a school, this does not mean that places can be guaranteed for their siblings either currently or at a later date.

If you require any further information, please contact us on 01904 551554 or email education@york.gov.uk

Yours sincerely

Joanne Rawcliffe
Admissions Officer
